 Action
[more](#) [reports](#) [details](#) [history](#)

Data previously accessed through the **more** link on the Account Summary Report now appears within the Account Detail section.

Access a printer-friendly PDF of the Account Summary report. (This used to be the **report** link.)

Images of checks and debit/credit memos - as well as ACH and Wire details - are accessed through links in the "Customer Ref/Check Number" column.

Filter
Two new modifiable filter parameters are available while viewing Account Detail data.

Gridlines
are gone from all reports and tables; shading of alternate rows guides your eye.

Data from the previous **Account Detail** report appears in this Account Activity pane.
